

## Rebeka Landon

Senior Vice President, Finance  
Belco Community Credit Union

Rebeka Landon, serves as Senior Vice President of Finance for Belco Community Credit Union. In addition to leading Belco's financial management, Rebeka is also responsible for managing the daily liquidity needs of the Credit Union, the investment portfolio, the Asset Liability Management program and the annual budget and ongoing rolling forecast processes.

Under Rebeka's leadership the Finance Department manages Belco's Visa Services, focusing on debit and credit card portfolios and managing the credit union's fleet of ATMs and ITMs. Finance also oversees Deposit Services, responsible for the payment processing for the credit union (ACH, wires, drafts/checks, remote deposit). Rebeka heads up the Accounting team responsible for the financial statements and general ledger accounts as well as our accounts payable area.

In her time at Belco, Rebeka credits her success to the strong and dedicated team that she has the privilege to lead. Making a difference in the lives of Belco members and staying true to the purpose of the credit union movement is a priority for her and all of Finance by working to provide the best possible services and products.

Rebeka also enjoys developing team members and watching them grow in their careers at Belco, and is an advocate for the power of introverts at the credit union.

Rebeka is currently pursuing a Master's in Psychology of Leadership from Penn State World Campus. She holds a Bachelor's Degree in Finance from Shippensburg University and an Associates Degree in Business Management from Hudson Valley Community College.
