

Melissa M. Tyrrell

Vice President of Compliance
Belco Community Credit Union

Melissa M. Tyrrell, Vice President of Compliance for Belco Community Credit Union joined Belco in 2006 in the Corporate Support area and has since been promoted through several management positions.

Throughout her time at Belco, Melissa has been instrumental in developing internal functions such as Compliance, Audit, and Enterprise Risk Management. Additionally, she has led and participated in multiple cross functional work teams on regulation changes, mergers, crisis management, and enterprise risk management.

Through her leadership, Melissa has developed an internal culture of Compliance at the Credit Union. She works closely with the Belco Supervisory Committee, external audit vendors, and regulators, to promote Belco's safety and soundness. In addition, she works collaboratively with several credit unions in Pennsylvania through the Compliance 4 Credit Unions CUSO.

Melissa is a Certified Credit Union Compliance Expert (CUCE) as well as a Bank Secrecy Act Compliance Specialist (BSACS).

Prior to coming to Belco Melissa spent several years working in the financial industry at various financial institutions, she has a proven track record of working collaboratively with top leaders and staff to optimize adherence to standards, and regulations.

Melissa is a graduate of the Central Penn College Business Administration Paralegal Program. She often works across departments to ensure a cohesive compliance environment throughout Belco. She enjoys watching her team grow and thrive within their roles at Belco.
