

Christine Reed

Vice President, Deposit Services
Belco Community Credit Union

Christine Reed, Vice President, Deposit Services for Belco Community Credit Union leads Belco's efforts to provide members with timely, accurate and convenient deposit services.

With more than 30 years of experience in the financial industry, Christine brings a wealth of knowledge to her role, and, in turn, is passionate about learning the latest innovations and technological advances in her field.

She has developed efficiencies for applications and processes used within Belco and by Belco membership. Along with her team, Christine consistently keeps member experience in mind when considering new ways to lead Belco's deposit efforts.

Christine believes teamwork is what makes her department successful. She enjoys developing her team members and sharing knowledge and responsibilities.

Along with a General Banking Diploma from the American Institute of Banking, Christine is an Accredited Automated Clearing House Professional (AAP) as well as an Accredited Payments Risk Professional (APRP).

Christine holds a Bachelor of Science in Business Administration, Management and Leadership from Capella University.
